

## Sparker's Soapbox 2020 Candidate Questionnaire John Jenkins (D)

**Question 1** What diversity of perspective, attributes, knowledge or skills would you bring to the office that differentiates you or that the other candidates don't have?

**Answer -** I am an Immigrant. I have been a small business owner for 23 years. I am a father of 2 amazing young men. I have devoted my life to service and I desire to work for the people that make Collier County work.

**Question 2** What are three things you want to accomplish if you are elected to this office?

**Answer -**

1. Restructure and Redevelopment of Public Transportation and Infrastructure
2. A Moratorium for Raw lands purchased for development, until such time that lands can be designated in Perpetuity as environmentally sensitive and protected.
3. Basic Human Rights Ordinance specifically tailored for all residents of Collier County.

**Question 3** Name one current public policy position you disagree with that you would like to change if elected. Why do you disagree?

**Answer -** The last time a Basic Human Rights Ordinance came before the Collier County Commission it was voted down 5-0. This is unconscionable. On day 1, I will put into motion the groundwork for a Basic Human Rights Ordinance protecting every resident of Collier County.

**Question 4** What is the most important thing voters should know about you before making their decision in this race?

**Answer -** I am a man of the people. I will work for EVERY resident. I am a public servant not a politician. I am a critical thinker, a problem solver and a solution seeker. My only desire is to step up and serve Collier County's best future interests as it relates to Our Children, The Environment, Our Community and My Commitment to Humanity.
