To: James D. Molenaar <jdm664@aol.com>

Dear Friends and Colleagues;

As many of you know, after a long and very public interview and selection process, I was selected to be the new Collier County Public Schools - School Board Attorney. However, less than two days prior to my properly scheduled start date of Monday, February 6, 2023, *after* I successfully completed all of the on-boarding paperwork, hours of training, fingerprint scan and urine drug screening, the Human Resources Director unilaterally, without the request Board approval rescinded the Board's offer of employment without affording me Due Process. Of course this is a violation of CCPS Board Policy; and I submit the Assistant Superintendent of HR abused her authority and discretion. I believe she wrongfully relied on the outcry made from a few vocal minority who do not support the agenda of the new majority school board members and our governor.

As you all know, I never ask for favors, but if you believe as strongly as I that we need a conservative, highly well skilled attorney who is never afraid to follow the law, and will protect our children and our taxpayers, please take the time to write or call the Board Members and the School Board Attorney Mr. Fishbane with your thoughts. I have attached a sample template you may use to draft your own letter to send to these folks. Unfortunately, time is of the essence and I would like you to send your thoughts today or before Monday morning, because the date of the next school board meeting is Monday, February 13, 2023.

As stated above, attached is a SAMPLE letter of recommendation I drafted for your consideration that may also be used by your friends

granted for your consideration, that may also be used by your friends, spouse and colleagues. I suggest you modify it to your liking and send a similar one to those listed officials named on the letter: Chair Kelly Lichter; Mr. Jerry Rutherford; Mrs. Stephanie Lucarelli; Mr. Eric Carter; Mr. Tim Moshier and CCPS District Attorney Mr. Jonathan Fishbane. If you do decide to make your voice heard by email, please carbon copy me at: jdm664@aol.com.

Feel free to let me know what you think. . . .

Very truly yours,
Jim
