Hello again,

The documents handed out at the July and August meetings by Mr. Rutherford are attached for you.

I'm not sure what will be on the agenda for the September meeting as it is not finalized yet. We typically post the agendas a week ahead of the meetings here - <https://www.collierschools.com/Page/343>. In this case, Labor Day falls one week ahead of the meeting, so it's possible that it won't be there until Tuesday morning.

Thanks,
Tiffany

Hi, Tiffany,

Hope all is well with you!

Please send me the materials submitted by or on behalf of Jerry Rutherford regarding a proposed School Board policy described in the below email rejecting certain ideologies.

Please also confirm that this proposal will be on the Board agenda for Sept. 11 as stated below.

If I'm not phrasing my request correctly, please let me know.

SCHOOL BOARD POLICY

We, the School Board of Collier County, solely in the interest of protecting our students, and District from the harmful effects of the following ideologies, do reject the following as Anti-American, Anti-God ideologies whose net effect is to alter or abolish the Constitution of the United States of America, and damage our American Culture.

We, therefore, will identify the ideologies, their origin, their object, and why we reject them.

1. Critical Race Theory.
2. Social Emotional Learning
3. DEI Diversity, Equity, *Inclusion*
4. *BLM Black Lives Matter*
5. *Anti-Fa*
6. *Gay Agenda*
7. *Woke*

BRIEF EXPOSITION OF IDEOLOGIES

Most of the ideologies permeating America today have their roots in Communism, Socialism, Marxism and Secular Humanism. All are anti-American and Anti-God doctrines. I will give a brief definition of each:

- 1) **Critical Race Theory** began in the 1930s in the Frankfort School in Germany. It is based in Marxism. Its premise is that all white people are racist white supremacists, and oppressors of black people. White people should be removed.

- 2) **Social Emotional Learning** is designed to groom a global work force. It was started in 1994 by Eileen Rockefeller Gronwald and CASEL (Collaborative on Academics, Social and Emotional Learning.) Stephen Rockefeller added CSE, the Collaborative on Spirituality in Education. SEL is connected with CRT, and with the Resolution at the General Assembly of the United Nations Sept. 19th 2016, related to the '2030 Agenda' for Sustainable Development, with the goal of complete control of society by 2030.

- 3) **DEI—Diversity, Equity and Inclusion** These programs tout the values of Tolerance and Inclusion—but in reality serve as racist ideology and promote partisan political action. They are designed to replace the system of academic merit with a system of race based preferences which are demonstrably discriminatory, and which, in many cases, explicitly violate Federal law.

4) **BLM—Black Lives Matter** This was sparked by the killing of George Floyd by police. It was truly a bad situation, but people started riots, fires, destroyed property, looted and committed other crimes. The Bill of Rights preserves the Right of the people to **PEACEABLY** assemble, which was neither engaged in, nor enforced. The problem of police brutality will never be resolved by violence and destruction.

5) **ANTIFA** is a leftist Anti-Fascist and Anti-Racist political movement in the US. It consists of a highly decentralized array of autonomous groups. While some Antifa activism is nonviolent, there are an assortment of tactics used, including Digital Activism, Doxing, Harassment, Physical Violence and Property Damage. These tactics directly violate the Constitution. (Information adapted from a wikipedia article)

6) **WOKE** is an adjective derived from African American English Vernacular, meaning 'alert to racial justice and discrimination. Beginning in 2010, it came to encompass a broader awareness of social injustice, such as sexism. WOKE has also been used as shorthand for some philosophies of the American left, involving identity politics and social justice, especially regarding the doctrine of white privilege, and including the proposal of slavery reparations for African Americans.

7) **THE GAY AGENDA** was written in 1987 by Marshall Kirk and Erastus Pill. It was called, "Overhauling Straight America." The object is to make all Americans to be like themselves. They have been 100% effective in achieving their objectives, convincing parents, communities, courts, judges and national leaders to accept their ideology as the norm.

These ideologies are all connected in various ways, and their objective is to change the culture, rewrite the history of America, and, ultimately to either rewrite or completely discredit the Constitution.
